

Create Rehearsal Calendar

Standards:

1. Participate as a productive member of a group
2. Practice considerate behavior
10. Sets appropriate goals

Task:

As a group, create a rehearsal calendar for your scene. The due date is _____. Your scene must be ready to be performed on that date. When planning your calendar, collaborate considerately and effectively to determine appropriate individual and group goals.

Rubric:

	Inadequate (1)	Developing (3)	Proficient (5)
Goals	Does not include all task due dates and does not have realistic expectations	Includes most task due dates and/or does not have realistic expectations	Includes all task due dates (both in home and in school) and has realistic expectations
Productive Collaboration	Completes very few of the descriptors in the proficient category or does not complete calendar	Completes most of the descriptors in the proficient category, but has a few missing; completes calendar	Listens to other group members; balances task delegation; resolves conflicts peacefully; completes calendar
Consideration	Not considerate or tactful in working with other group members	Somewhat considerate and tactful throughout the process	Considerate and tactful throughout the process
