

Vocabulary Project

Content Standards:

Students will be able to...

- Define vocabulary words important in 2nd semester of Honors Geometry

Process Standards:

Students will be able to

- Self-reflect on their work

Task

Choose **one** of the following vocabulary projects for 2nd semester. Follow all of the directions carefully!

Vocabulary Project 1: **Word Search**

Create a word search puzzle using at least 30 of the vocabulary words from chapter 1.

- Project must be typed or written on graph paper and clearly legible.
- Project must use at least 30 vocabulary words.
- Word Search must have a title.
- Must use definitions to give clues as to what words are hidden (don't include the words - make the player figure them out!).
- Must include a separate solution copy.

Vocabulary Project 2: **Crossword Puzzle**

Create a crossword puzzle using at least 30 of the vocabulary words from chapter 1.

- Project must be typed or written on graph paper, and clearly legible.
- Project must use at least 30 vocabulary words.
- Crossword Puzzle must have a title.
- All clues for crossword puzzle must be included with puzzle, clues must reference word definitions.
- Must include a separate solution copy.

Criteria

- Students define at least 30 vocabulary words
- Students define vocabulary words in their own words.
- Students complete their crossword/word search correctly.

Rubric

<u>Excellent</u> (12 - 15 points) 30 vocabulary words defined Most definitions are in own words
<u>Satisfactory</u> (5 - 11 pts) 15 - 29 vocabulary words defined About half definitions are in own words and half are copied from book
<u>Poor</u> (0 - 4 pts) 0 - 14 vocab words defined Almost all definitions are copied from book

Criteria	Poor (0 pts)	Good (2 pts)
Completion of word search or crossword	Did not complete word search/crossword	Completed word search/crossword

Total _____/17
