

Task 10: Group Work Evaluation

Group Name: _____ **your name:** _____

We often worked in groups throughout this chapter. Think about what tasks your group has to do and apply the following criteria for evaluation. Think first of the criteria according to your group, and then according to yourself.

Rank your group using the following criteria:

All the time- **5** Most of the time- **4** some of the time- **3** Seldom-**2** Never- **1**

Criteria	Points
1. Group members stayed on task during group time	
2. Group members helped each other.	
3. Group members contributed to tasks given.	
4. Group members showed respect for each other.	
5. Group was beneficial to everyone's learning.	

Now evaluate yourself according to the following criteria.

All the time- **5** Most of the time- **4** some of the time- **3** Seldom-**2** Never- **1**

Criteria	Points
1. I stayed on task during group time:	
2. I helped other group members.	
3. I contributed to tasks given	
4. I showed respect for other group members	
5. The group was beneficial to my learning.
