NAME:_____

Let's Go Shopping!

Your task is to shop like LaJoe for her whole family. You will need to purchase enough food for 10 people for 30 days. You will not be charged any tax, so just add up the prices listed in your ad and attach them. You may use ads from various stores to find the best deal. Be sure to specify brand name, amount and size of the item along with what store it came from. Remember, you have young children, so buy foods that will support their growing bodies! Good Luck! ☺

You have $400 to use.
