City Solutions Brochure

SWBAT:

- Analyze the responses to industrialization from social, political and economic perspectives.
- Collaborate with peers by completing his/her fair share of the work.

Task:

As the city of Manchester has fallen into squalor, the town's city council has approached you to clean up the city because of your problem solving abilities and fresh new ideas. In groups of four, create a presentation, using any form of technology/media you desire that effectively "sells" your ideal city (brochure, movie, infomercial, commercial, etc.). You need to think about **all** aspects that went wrong with industrialized cities, assess the 19th century fixes, and fix the problems in a new, modern city! Include:

Sanitation Transportation Schools Housing

Streets and city layout Garbage collection Rain water drainage

After you have created your brochure, write two to three paragraphs that identify problems in cities in the 1800's and how they are fixed in your new city! Use 9.2 to help you identify and fix the problems.

Criteria:

- Accurately identify and assess the 19th century problems and solutions.
- Create modern solutions for *all* required issues.
- Fulfill individual responsibilities within the group.
- Create a neat, organized product.
