

STANDARD 5: ACCURATELY USE NOUN-ADJECTIVE AGREEMENT (WRITTEN WORK)

TASK #7

El presidente del club

You have decided to be more active this year in Spanish Club. In fact, you're even thinking about running for president! Everyone who wants to run is asked to write a brief paragraph about him or herself. What would you write? Please include the following in your written paragraph:

- Tell the members your name.
- Describe yourself with at least 2 adjectives.
- Describe at least 3 family members or friends with 3 adjectives.
- Write about what you like to do (at least 3 activities).
- Say what you are like, according to your friends (use 2 different adjectives).

CRITERIA		Excellent (4)	Good (3)	Satisfactory (2)	Needs Improvement (1)
Grammar	X2	All nouns (subjects) agree with their respective adjectives in number and gender. A variety of adjectives are used.	Most subjects agree in number and gender. Many adjectives are used within the paragraph.	Some subjects agree in gender and number; however the use of adjectives is limited.	Many subject agreement errors are present and/or the use of adjectives is limited.
Content	X2	Student responds to the entire prompt and even expands upon ideas.	Student answers most of the prompt and expands upon ideas.	Student does not answer half the prompt and/or does not expand upon ideas.	Student answers only part of the prompt and/or does not use a variety of adjectives.
Organization	X1	Insignificant misplacement of words. Composition consists of complete sentences and is sequenced logically from start to finish. Writing is fully comprehensible.	Some misplacement of words. Writing is easy to follow but sometimes lacks fluidity. Composition includes complete sentences.	Multiple placement errors. Writing is choppy and often hard to follow. Organization could be more logical.	Placement errors interfere with meaning. Writing is fragmented and very hard to understand and follow. Sequencing is illogical or has not been given attention.
Vocabulary & Spelling	X2	Acquisition of new vocabulary is very evident. New and old vocabulary is used with few to no errors.	Acquisition of new vocabulary is fairly evident. New and old vocabulary is used with some errors.	Some evidence of new vocabulary acquisition present. Words are used with multiple errors. A few English substitutions were made.	Little evidence of new vocabulary acquisition. Many words are misspelled. English words are substituted frequently.
