Assignment: You will be paired up with two or three other students. You will create a video of a scene from the novel, *Something Wicked This Way Comes*. The scene should be at least five minutes long. You may choose from a number of scenes in the novel. We will watch each scene in the order they appear in the novel. You will decide who will play each character. Each student must play at least one character in the scene. You may ask other people to video tape your scene or play some of the smaller parts. If you do not have access to a videotape or recorder you may borrow one from the school library.
