Assignment: You will draw the town of Maycomb, Alabama. Markers and paper will be provided, but if you would like to bring your own utincils you may. After reading you should attempt to visualize what the town looks like. Once you visualize the town, begin to sketch what you believe the town looks like. Go back and reread descriptions of the town as a method of checking the accuracy of your drawing.

Rubric for TKM setting drawing

	Points possible	Your points
<u>Detail</u> Your drawing of the town should be detailed	10
