

Formative: Cooperative Work Roles

Standard:

10. Work cooperatively with others to achieve a common goal.

Task: In your groups of four, complete the puzzle below. You need to adhere to all descriptors of your role. This will serve as a practice for a larger formative assessment and then also a summative assessment that will require you to have these skills. The first group to complete the puzzle will win a prize! During the task I will be walking around and evaluating whether you are meeting the expectations of your role, so please read below CAREFULLY!
