Persian War Summative Vocabulary Quiz

Content Standards

- Compare and contrast life in Athens and Sparta, with emphasis on their roles in the Persian and Peloponnesian Wars.

Task

- Students will complete a vocabulary quiz where they need to relate three concepts to each other.
- Students will need to be able to define the words and relate the defined words to each other.
- The depth for each answer should follow these guidelines:
  - **5** Provides dates, locations, names and details that leave no element unexamined. Provides analysis by placing the term in its broader historical context and explains its importance/relevance.
  - **4** Describes the term well. Provides details beyond the basic identification. Provides analysis. The importance of the term is identified.
  - **3** Identifies the term rather than describes it; or describes the term but provides little depth or detail.
  - **2** Demonstrates only a passing knowledge of the term. The identification does not demonstrate a college level understanding of the topic. Important details may be missing.
  - **1** Provides a vague description. Contains glaring inaccuracies or omissions.
  - **0** Incorrect or blank
